BACKGROUND:

The U. S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA) seeks to provide funding to state, local, and tribal governments to use performance-based or outcomes-based contracting to enhance or implement clinical services and other evidence-based responses to improve reentry, reduce recidivism, and address the treatment and recovery needs of people with mental health, substance use, or co-occurring disorders who are currently involved in the criminal justice system or were formerly involved. The FY24 Second Chance Act Pay for Success Program category 2 performance-based and outcomes-based contracting for permanent supportive housing grant period is 54 months and includes a 12-month planning and contracting period, a 36-month implementation period, and a 6-month post-implementation period.

The Las Vegas Justice Court Mental Health Court would be applying for the FY24 Second Chance Act Pay for Success Program grant to fund permanent supportive housing for at least 100 participants over the 54-month grant period. The period of the grant, if awarded, will be from October 1, 2024 through April 30, 2029.
