BACKGROUND:

In July 1997, Clark County (County) acquired ± 5.01 acres of vacant land from Big 10 Investments (Prior Owner) known then as Assessor's Parcel Number 176-03-201-002 (now known as Assessor's Parcel Number 176-03-201-014), for the construction of a portion of the CC 215 Beltway (Beltway). The Clark County Department of Public Works (Public Works) has completed work on the Beltway at this location and retained any needed easements leaving a remnant parcel of approximately ± 0.64 acres (Remnant Parcel). Public Works has deemed the Remnant Parcel surplus to the County's needs and finds that it is in the best interest of the County and its residents to surplus the Remnant Parcel.

The County has received a request from the adjacent landowner to acquire the Remnant Parcel. Pursuant to NRS 244.281(e)(1), the County may offer the Remnant Parcel to the adjacent landowner, after it has satisfied the conditions of NRS 244.290 valid pursuant to the year of original acquisition, which requires the County to offer the Remnant Parcel back to the Prior Owner at fair market value. If the Prior Owner or their successor-in-interest reject the offer to reconvey, the County can convey to the adjacent landowner for the fair market value which has been set at \$655,000.00 as determined by an appraisal.

The Prior Owner has signed a rejection to the offer to reconvey. This Resolution of Intent to Sell outlines the terms and conditions required to convey the property to the adjacent landowner, Dolmayan Properties LLC.

Upon payment plus any costs for the transfer and terms contained in the resolution, the County will convey the Remnant Parcel to the adjacent landowner.

This item was presented to the County Long Range Planning Committee on April 10, 2024.
