**BACKGROUND:**

Nevada's Extended Foster Care Program (EFP), authorized by NRS 432B.591, allowed youth who were in foster care on their 18th birthday to remain in care and receive support services, such as housing and case management until age 21.

On July 1, 2025, Nevada transitioned the EFP program to the Extended Young Adult Support Services Program (EYASSP) to allow for federal Title IV-E reimbursement, which aims to improve funding and resources. As such, awarded funds will allow for the creation of thirty-one (31) positions: one (1) Family Services Manager (K03), two (2) Family Services Supervisors (C30), twenty-six (26) Family Services Specialists I/II (C27/C28), and two (2) Eligibility Specialists (C24) to support the young adults participating under the EYASSP and to meet the requirement EYASSP has outlined in their Policy 0807 EYASSP to include: Eligibility and Enrollment, Case Management Services, and Court Oversight.

The award process for this grant differs from the normal grant application process as funding is made available to the state and passed through to CCFS without advance notice, competitive process, or application submission.

Staff requests that the Board approve the creation of 31 positions and accept any funds awarded.
