The primary focus of my practice is on addressing post adoption issues and challenges faced by adoptees and their caretakers. I use a multi-modal approach to treatment bringing my professional training and my personal experience as an adoptee to my therapy space. I am a Trust Based Relational Intervention (TBRI) Practitioner trained at the TCU Karyn Purvis Institute of Child Development. TBRI is an attachment-based, trauma-informed intervention that is designed to meet the complex needs of vulnerable children. I am a Level-One trained Theraplay Practitioner trained through the Theraplay Institute. I am also DBT Certified through UNR.
