Dear Clark County Commissioners,

I would like to introduce myself as a candidate to be a member of the Red Rock Citizen Advisory Council. As a native, I understand the unique challenges that Clark County has and continues to face, particularly in the RRNCA

I am a former REALTOR, and understand the forces which shape our community and the issues our county officials face. I have also grown up immersed in the recreational and social life of the Las Vegas area, and know how important it is to preserve the Southern Nevada way of life.

As a candidate of the RRCACI:

- I am a homeowner in Blue Diamond, Nevada
- I am an avid mountain and road biker
- I am a former geology teacher, spending extensive time studying the RRNCA
- I believe a balance can be struck between development, recreation, and preservation

Although I am very busy with my position as an Administrator, I believe representing my community is well worth the extra effort. Thank you for your consideration.

Sincerely,

Greg Bailey
