Why are you interested in becoming a member of your TAB or CAC?

As a long time rural Nevadan, I was raised by a long time rural Nevadan, who was raised by another long time rural Nevadan. My grandfather moved here in a covered wagon in 1911. There were 175 people in Las Vegas. I bring a unique viewpoint to the Board. However, this is a common viewpoint amongst rural people. You may not always like what I have to say, but if you want to know what rural people really think, I will tell you.

To Whom It May Concern:

Please accept my application for the Sandy Valley CAC Board position. I have lived in Sandy Valley since 2004. More importantly, I am a third generation rural Nevadan. As such, I understand the history and concerns of rural Nevadans.

I am a member of E Clampus Vitas, a group of gentlemen who erect historical monuments all over Southern Nevada. Learning in-depth history of the events that made Nevada what it is today, provides me with history that you ay occasionally find very valuable.

I am very honored that you are considering my application.

Sincerely yours,

Gregory C. Neff
