Billy Samuels
Deputy Fire Chief/ County Emergency Manager
Clark County Fire Department
575 East Flamingo Road
Las Vegas, NV 89119

Dear Chief Samuels,

We are pleased to donate 9 “Charlie Stations” to the Clark County Fire Department for public purposes. As relatively recent residents to Clark County, we are pleased to show our appreciation and gratitude to the County and our support of the Fire Department.

We value these at \$47,500 each based on the most recent sale of a unit to the Fall River, MA fire department.

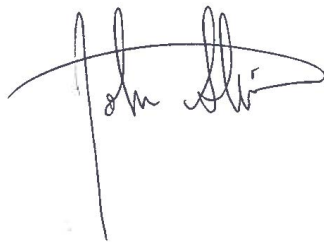

We ask that you refer to us as the “GPS Family of Companies” in any materials you publish on this. We are a real estate investment group, and each of our projects falls under this broad name.

For our internal purposes, we are allocating the \$427,500 donation in the following way:

- 2 units (total \$95,000) from GORE Consulting, Inc.
- 2 units (total \$95,000) for CHP Enterprises, Inc. for April, 2022 (current corporate FY)
- 5 units (total \$237,500) for CHP Enterprises, Inc. for July, 2022 (next corporate FY)

On behalf of Raymond Claridge and me, we look forward to our ongoing commitment to participate in a positive way in our community. We hope that these units assist you in your mission.

Sincerely,
