STANDARDS FOR ADOPTION:

The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

Analysis

Comprehensive Planning

The applicant shall establish the request is consistent with the overall intent of the Master Plan by demonstrating the proposed amendment 1) is based on changed conditions or further studies; 2) is compatible with the surrounding area; 3) will not have a negative effect on adjacent properties or on transportation services and facilities; 4) will have a minimal effect on service provision or is compatible with existing and planned service provision and future development of the area; 5) will not cause a detriment to the public health, safety, and general welfare of the people of Clark County; and 6) adherence to the current goals and policies of the Master Plan would result in a situation neither intended by nor in keeping with other core values, goals, and policies.

The applicant requests a change from Neighborhood Commercial (NC) to Compact Neighborhood (CN) which allows up to 18 du/ac. The Master Plan's intended primary land uses in the Compact Neighborhood land use category include single-family attached and detached homes, duplexes, triplexes, fourplexes, and townhomes. Supporting land uses include accessory dwelling units, multi-family dwellings, and neighborhood serving public facilities such as parks, trails, open space, places of assembly, schools, libraries, and other complementary uses.

Staff finds the request for the Compact Neighborhood land use designation appropriate for this location. The subject site is adjacent to Decatur Boulevard, which is an arterial street. The Master Plan encourages higher density uses, such as those intended in the Compact Neighborhood land use category to be located along major streets and near existing or proposed services. The request also complies with Policy 1.1.1 of the Master Plan which encourages the provision of diverse housing types at varied densities and in numerous locations; in particular, seek opportunities to expand "middle" housing options that are less prevalent such as duplexes, townhomes, triplexes, fourplexes, and smaller multi-family complexes. For these reasons, staff finds the request for the Compact Neighborhood land use category appropriate for this location.

Staff Recommendation

Adopt and direct the Chair to sign a resolution adopting the amendment. This item will be forwarded to the Board of County Commissioners' meeting for final action on **June 17, 2026** at 9:00 a.m., unless otherwise announced.

If this request is adopted, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
