SECTION A

GRANT CONDITIONS AND ASSURANCES

General Conditions

1. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Department of Health and Human Services (hereafter referred to as "Department") shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance as the Subrecipient is an independent entity.
2. The Department or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, and signed by a duly authorized representative of both organizations.  - The Department may, in its discretion, amend this Agreement to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both the Department and Subrecipient.
3. Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof at least 30 days before the effective date of such termination. Partial terminations of the Scope of Work in Section B may only be undertaken with the prior approval of the Department. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, reports, or other materials prepared by the Subrecipient under this Agreement shall, at the option of the Department, become the property of the Department, and the Subrecipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.
 - The Department may also suspend or terminate this Agreement, in whole or in part, if the Subrecipient materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein; and the Department may declare the Subrecipient ineligible for any further participation in the Department's grant agreements, in addition to other remedies as provided by law. In the event there is probable cause to believe the Subrecipient is in noncompliance with any applicable rules or regulations, the Department may withhold funding.
