Additional Comments:	N/A		

**BACKGROUND:**

The Regional Transportation Commission of Southern Nevada (RTC) has approved and budgeted funding for the Maryland Parkway Underground Utilities between Tropicana Avenue and Flamingo Road project in the Highway Improvement Acquisition Fund - Fuel Revenue Indexing for Fiscal Year 2024. All necessary rights-of-way to construct the project have been obtained.

Interlocal Contract No. 3122 allocates funds for construction of the Maryland Parkway Underground Utilities between Tropicana Avenue and Flamingo Road project. The project consists of improvements on Maryland Parkway from 650 feet south of Tropicana Avenue to 200 feet north of Flamingo Road, a length of approximately one mile. The project includes installing a shared utility conduit duct bank to facilitate the undergrounding of overhead utility lines on the east side of Maryland Parkway. The time of performance is effective until December 31, 2028, unless time extensions are granted.

RTC approved the interlocal contract at its meeting on November 9, 2023.

The District Attorney's Office has reviewed and approved the interlocal contract as to form.
