Dear Board and Commissions Selection Committee,

I am writing to express my interest in serving as a Trustee for the Las Vegas Clark County Library District Board. As a former board member and longtime library media specialist and educator, I would welcome the opportunity to contribute my experience, perspective, and dedication once again to supporting the library's mission and service to our community.

Throughout my career in education and library services, I have been committed to fostering literacy, lifelong learning, equitable access to information, and meaningful community engagement. Working with students, families, educators, and community members has given me a deep appreciation for the essential role public libraries play in enriching lives and creating opportunities for people of all ages.

My previous experience serving on the library board provided valuable insight into the responsibilities of governance, strategic planning, community partnerships, and advocacy. I understand the importance of thoughtful leadership and collaboration in helping libraries adapt to changing community needs while preserving their role as welcoming and accessible public institutions.

At this stage in my life and career, I am especially motivated to serve the community in a purposeful and meaningful way. I believe my professional background, prior board experience, and continued passion for education and public service would allow me to make a positive contribution to the work of the board and the future of the library.

Thank you for considering my application. I would be honored to support the important work of the Las Vegas Clark County Library District and contribute to its continued success and service to the community.

Sincerely,

Jennifer Jiron
