Site Plan & Request

The site plan depicts an existing retail and restaurant building on the southwest corner of Las Vegas Boulevard South and Robindale Road. The building is a part of the overall shopping center of the Premium South Outlet Mall. The L-shape building has entrances to the lease spaces which primarily face a northeasterly direction. Access to the site is provided via driveways along Las Vegas Boulevard South and Robindale Road. Furthermore, cross-access is provided via internal drive aisles throughout the shopping mall. Parking is located along the perimeter of

the site, including parking spaces adjacent to the building and shared parking to the north and eastern parcels.

Currently, there are 3 restaurants on-site, primarily located on the northwest corner of the building. With this application, the applicant is proposing a supper club which offers their customers hookah and live entertainment within the easternmost lease space (Suite 211). UC-0477-16 was previously approved and only 5 out of 16 requested uses were approved, they are the following: restaurants, art gallery studio, personal services (salon & spa), photography studio, and a sporting goods establishment.

The Notice of Final Action letter from UC-0477-16 states that no more than 3 restaurants to be on the property and none of the restaurants to serve alcohol. The applicant is requesting to waive this condition.

Landscaping

Perimeter landscaping and parking lot landscaping are located throughout the site. No changes to the landscaping are proposed or required with this request.

Elevations

Elevation plans depict a 1 story commercial building with an overall height of 32 feet. The existing exterior materials include stucco walls, a parapet roof, and black aluminum store front and window systems.

STANDARDS FOR APPROVAL:

Analysis

Current Planning

Staff finds that there are existing restaurants which serve alcohol within the immediate vicinity. For example, immediately to the north the following restaurants are a part of the same shopping center which all serve alcohol: Chipotle, Outback Steakhouse, Buffalo Wild Wings, and Chili's. In addition, and immediately to the south, The Bootlegger Italian Bistro serves alcohol. An additional restaurant which serves alcohol is a compatible use to the site which will also not hinder any required parking. Staff does not object to the applicant's request.

Staff Recommendation

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.
