

CLARK COUNTY BOARD OF COMMISSIONERS

AGENDA ITEM

Petitioner: Marci Henson, Department of Environment and Sustainability

Recommendation:

Introduce an ordinance to amend Clark County Air Quality Regulation Section 44 to allow the Control Officer to issue certificates of exemption for certain mulberry and olive trees in lieu of the Hearing Board, require genetic testing, and inspect related facilities and repeal and adopt a new Section 45 to update requirements for idling diesel powered vehicles; provide for other matters properly related thereto; and set a public hearing. (For possible action)

Description:	N/A		
Additional Comments:	N/A		

BACKGROUND:

The proposed ordinance will amend Clark County Air Quality Regulation (AQR) Section 44, "Prohibitions on Planting, Selling, or Offering to Sell Fruitless Mulberry and European Olive Trees," to provide authority for the Control Officer to issue Certificates of Exemption (COE), to require genetic testing as a condition of renewing a COE, and to inspect plant staging areas for compliance; and repeal and adopt a new AQR Section 45, "Idling of Diesel Powered Motor Vehicles," to identify the vehicles that are subject to its requirements, add definitions for terminology, and identify activities that are exempted from the rule.

Staff recommends that a public hearing be set for August 3, 2021 at 10:00 a.m.
