- V. Informational Items
1. Receive a report from Metro regarding activity and statistics during the past month and other area crime concerns (for discussion only)
Sgt. Andy Velasquez reported the following statistics from this reporting period: 18 calls for service, 77 traffic citations, no arrests/crime reports & 1 illegal dumping in Lower Kyle Canyon. There was also one significant rollover 1055crash caused by excessive speed on November 29th. Sgt. Velasquez shared that the increased number of citations are related to the increased enforcement on Kyle Canyon, Lee Canyon, and Deer Creek, resulting from numerous complaints he received from residents regarding speeding.
 2. Receive a report from Mt. Charleston Fire Protection District regarding calls for service during the past month and other fire prevention issues (for discussion only)

RECEIVED

MAR 29 2024

COUNTY CLERK

Chief Jorge Gonzalez reported 12 calls for service, various medical calls, vehicle accidents, and illegal campfires from the last reporting period. He stated the increase in calls is related to the transition from fall to winter. Jason Douglas stated that there are plans for increased winter staffing during the Christmas break from school from December 16th – January 2nd. Staffing levels will depend on snowfall – less snowfall will equal less staffing.

3. Receive a report from LVVWD regarding the status of the water system (for discussion only)
Jason Bailey shared that water levels are stable. All water was fully restored to residents in November and since the restoration, the contractor completed remaining repairs to the mains and transfer line from Old Town to Upper Rainbow tank. Mr. Bailey also reminded residents to winterize their plumbing for the coming season. Tom Burns reported that more than half the infrastructure at Old Town was replaced during repairs from the storm. He also recapped completed repairs and shared the small repairs left to complete.
4. Receive a report from Clark County Public Works regarding the status of road work and repairs (for discussion only)
Clint Spencer reported that the rehabilitation pavement project in Rainbow is completed with only clean up items remaining. He also reported both entrances to Rainbow and Echo Canyon are completed for accessibility for snow season. Mr. Spencer shared with residents that snow plowing will mimic the CCSD schedule.
5. Receive a report from Metro Volunteers regarding activity member activities and events (for discussion only)
Donna Thompson shared that the volunteers ran a food drive and with the help of the community were able to help 30 families have a nice Thanksgiving. She also shared they have gift cards that the Fire Department will distribute to families in need. Ms. Thompson reported that “Stop DUI” signs were put up in the area. Volunteers were requested with sign-up information provided.
6. Receive a report from Nevada Highway Patrol regarding activity and statistics during the last month and other public safety concerns (for discussion only)
No report.
7. Receive a report from United State Forest Service regarding current issues and activities in the forest and other forest-related concerns (for discussion only)
Area Manager Deb MacNeill reported closures that included Upper Kyle, Cathedral Rock area, Deer Creek picnic area, Max Canyon Road. Once repairs have been completed in these areas, the closures will be lifted. Estimated closure time is approximately 2 years (Mary Jane Falls not likely to be repaired and reopened in 2 years). Ms. MacNeil shared that they have applied for grants to repair Cathedral Rock Trail and Bristlecone Pine. She stated that it could take a year or more before they find out if funds will be received. Ray Dombroski shared the fire management report. Law enforcement officer, Emily Crowe was introduced.
8. Receive a report from NV Energy with updates and other service-related concerns (for discussion only)
Scott Kaufmann reported since the last TAB meeting, there was one outage on November 19th that was limited to Rainbow subdivision. Mr. Kaufmann shared with residents that new devices called trip savers were installed to help prevent the entire circuit from going dead. NV Energy will have a continued presence in the area.

9. Receive a report from CCSD with any available information (for discussion only)

No report

10. Receive a report from Clark County Administrative Services regarding communications with any updates from Clark County (for discussion only)

No report
