To Whom It May Concern:

I am writing to express my interest in the vacancy on the Boulder City Library Board of Trustees. Enclosed with this letter is a completed application and current resume.

As a homeowner and resident of Boulder City for approximately the last two years, I am looking for opportunities to get more involved with this wonderful community. I would bring my passion for reading and experience on nonprofit boards to this position to help ensure the continued sustainability of this vital civic resource.

Some of my fondest memories from childhood are sitting on my parents' bed learning how to read, going to the Green Valley Library regularly with my family, and participating in the summer reading program. Although I have not checked out many books from the Boulder City Library due to an overwhelming number of to-be-read books at home, one of the first things I did when I moved here was obtain a library card. Since then, I have loved attending events at the library including the Friends of the Library book sales and the annual Literary Arts Fair. I have also been impressed by the Library of Things and appreciate the need for libraries to adapt to meet the needs of the community.

My experience with governance, oversight, budgeting, and personnel would enable me to have a holistic understanding of the library's resources and needs. I would be happy to answer any questions about my experience and interest in service on the Board of Trustees.

Thank you for your consideration.

Sincerely,

Nicholas Cote
