

**PROFESSIONAL SURVEYING SERVICES CONTRACT
FOR PROFESSIONAL SURVEYING AND MAPPING SERVICES FOR
SPECIAL IMPROVEMENT DISTRICT 164**

THIS CONTRACT, hereinafter referred to as "Contract", made and entered into this **20th** day of **September 2022** between Clark County, Nevada, a political subdivision of the State of Nevada, hereinafter referred to as "COUNTY", and Wallace Morris Kline Surveying, LLC a company authorized to do business under the laws of the State of Nevada, hereinafter referred to as "SURVEYOR".

The initial addresses of the parties, which one party may change by giving notice to the respective other party, are as follows:

COUNTY

Denis Cederburg, Director
Clark County Department of Public Works
500 S. Grand Central Parkway,
Suite 2066
Las Vegas, Nevada 89106
Telephone: (702) 455-6020
Fax: (702) 455-6040

SURVEYOR

Craig Morris, COO
Wallace Morris Kline Surveying, LLC
6525 West Warm Springs Road,
Suite 100
Las Vegas, Nevada 89118
Telephone: (702) 212-3967
Fax: (702) 212-3963

W I T N E S S E T H

WHEREAS, the COUNTY desires to obtain quality professional land surveying services in connection with the work hereinafter described; and,

WHEREAS, the SURVEYOR desires to provide such services in exchange for the fees hereinafter specified.

NOW, THEREFORE, for and in consideration of the premises and mutual covenant herein contained, it is agreed as follows:

ARTICLE I

As used in this Contract, the following terms shall have the meanings as set out below:

"Director" means the Director of Public Works of the County of Clark and all persons designated by him, in a notice to the SURVEYOR, to administer this Contract.

"Project Area" means the area within Clark County, Nevada.

"Project" means the Record of Survey, Aerial Photogrammetric Survey, and Topographic Survey of the West Half of Section 16, Township 20 South, Range 62 East, M.D.M., Clark County, Nevada.

ARTICLE II

2.01 -- BASIC SERVICES

Beginning on the date the Director notifies the SURVEYOR in writing to begin performance; the SURVEYOR shall furnish all surveying services and materials necessary to complete the Project.

The SURVEYOR will provide the following services for the Project:

1. Establish horizontal control for the alignments of public roadways within the Project and memorialize the work by filing File a Record of Survey and record it with the office of the County Recorder. The Record of Survey shall contain the information as required in Exhibit "A" attached hereto and made a part hereof by this reference.
2. Map the limits of Right-of-Way within the area of the Project whether by deeds, dedications, or easements. Perform sufficient research of public records to locate all pertinent surveying documents that may affect the location of the County Right-of-Way within the area of the Project covered by this Contract

3. Establish ground control to facilitate Aerial Photogrammetric Mapping and creation of a Planimetric Map Set at a scale of not less than 1" = 40'; bearing and distance ties to government land corners and control established in the Record of Survey, the establishment and/or verification of vertical control referenced to a current published Clark County Benchmark. The SURVEYOR will provide to the COUNTY a pre-flight panel point plan to be reviewed and approved by a representative of the Clark County Surveyor's Office.
4. Provide aerial mapping consultant supplemental topographic hard-shots prior to the processing of the photogrammetric mapping.
5. By sub-contract, provide Photogrammetric mapping survey (Planimetric survey of a scale not less than 1"=40' with one-foot (1') contour intervals, complying with current ASPRS Mapping Accuracy Standards for 40-scale, one-foot contour interval mapping) performed as described in Exhibit "B", attached hereto and made a part hereof by this reference.
6. Field editing of the topographic mapping to identify areas that require supplemental survey information due to vegetation cover or that are identified in Exhibit "B" as requiring special consideration for match elevations and subsequently edit the topographic mapping to include this information (cross reference).
7. Attend the necessary project coordination meetings for the Project and coordinate all activities with the Director.

2.02 -- SPECIAL SERVICES

The SURVEYOR shall perform the following Special Services if, as, and when requested in writing by the Director within a reasonable time as specified by the Director, provided, however, that the SURVEYOR shall not be obligated to perform any Special Services unless a sufficient amount of money has been appropriated for such purpose:

1. As required by design changes or other unforeseen circumstances to provide additional survey control for proper completion of the Project.

ARTICLE III

3.01 -- TIME OF PERFORMANCE

Subject to Section 3.02 hereof the SURVEYOR shall complete the following specific tasks, and all the work preceding such tasks on or before the dates set out below:

<u>Task</u>	<u>Time Period</u>
2.01 #1, #2, #3, #4, #5, #6, #7	Throughout the duration of the Contract following receipt of notice from the Director to begin work under Section 2.01 of this Contract.
2.02	As specified by the Director.

Except as otherwise provided above, the SURVEYOR shall complete all Basic Services and authorized Special Services by **April 01, 2023**, or upon written receipt of notification from the Director that Basic Services and Special Services are complete, whichever occurs first.

3.02 -- TIME EXTENSIONS

Upon written request of the SURVEYOR, the Director may grant time extensions to the extent of any delays caused by the COUNTY or other agencies with whom the work must be coordinated and over whom the SURVEYOR has no control, but only to the extent that the exercise of due diligence and care, on the part of the SURVEYOR, within the scope of its work under this Contract could not have avoided such delays and to the extent of any delays caused by force majeure, as that term is defined in Subsection 7.09 hereof.

ARTICLE IV PAYMENT FOR SERVICES

4.01 -- MAXIMUM AMOUNT PAYABLE

The maximum amount payable by the COUNTY to the SURVEYOR shall be a sum equal to the Basic Service fees plus the Special Service fees, if, as, and when approved by the Director, and provided, however, that under no circumstances may the total amount payable to the SURVEYOR under this Contract or in connection with the subject matter of this Contract, exceed the sum of **EIGHTY-FOUR THOUSAND SEVEN HUNDRED SEVENTY-FIVE DOLLARS AND 00/100 (\$84,775.00)** for Basic Service fees, and **THIRTY THOUSAND DOLLARS AND 00/100 (\$30,000)** for Special Service fees, unless such sum is increased by the Clark County Board of Commissioners, but only to the extent such total sum is increased.

4.02 -- METHOD OF PAYMENT

Payment for the Basic Services provided herein shall be made on the basis of the percent of total work complete as determined by the COUNTY at the time of invoice. Payment for authorized Special Services shall be made when the authorized work is one hundred percent (100%) complete as determined by the COUNTY at the time of invoice. Fees for authorized Special Services shall be based upon **TWO HUNDRED DOLLARS AND 00/100 (\$200.00)** per hour. Fees for the services shall be invoiced in the month which follows performances of such services and shall be paid by the COUNTY within thirty (30) days after receipt of an invoice submitted by the SURVEYOR and approved by the Director unless the Director notifies the SURVEYOR within such period of time that a payment or a portion thereof for the services rendered is in dispute. The COUNTY agrees that it will not unreasonably delay or withhold payment or approval of any invoice submitted by the SURVEYOR.

The Basic Services and Special Services fees shall not be paid to the SURVEYOR unless the Director approved the purpose and amount of such fees in writing.

In no event may the Basic Services and Special Services fees exceed the following amounts:

<u>TASK</u>	<u>MAXIMUM AMOUNT</u>
2.01, #1 through #7, BASIC SERVICES	\$ 84,775.00
2.02, #1, SPECIAL SERVICES	\$ 30,000.00
GRAND TOTAL BASIC AND SPECIAL SERVICES	\$ 114,775.00

ARTICLE V

5.01 -- IN GENERAL

This Contract shall be in force and effect from and after the day on which the Director gives notice to the SURVEYOR to begin work under this Contract under Section 2.01 above. This Contract shall remain in effect until **April 01, 2024**. This section shall not be construed to relieve either party of its obligations to perform under this Contract while the Contract is in effect. Termination of this Contract shall not release either party from any of its continuing obligations hereunder. This section shall not be construed to change any disputes arising out of this Contract or in connection with the subject matter hereof, nor shall this section be construed to change the date or the time on which cause of action arising out of this Contract, or the subject matter hereof, would otherwise accrue under the statutes of limitations or doctrines of law.

5.02 -- TERMINATION BY THE COUNTY

The Director may terminate this Contract at any time by giving thirty (30) days notice in writing to the SURVEYOR. Upon receipt of such notice, the SURVEYOR shall, unless the notice directs otherwise, immediately discontinue all services in connection with this Contract and shall proceed to cancel promptly all existing orders and contracts insofar as such orders or contracts are chargeable to this Contract. As soon as practicable after receipt of notice of termination, the SURVEYOR shall submit a statement showing in detail the services performed under this Contract to the date of termination. The COUNTY shall then promptly pay the SURVEYOR that portion of the prescribed fee which the services actually performed under this Contract bear to the total services called for under this Contract, less such payment on account of the fee as had been previously made.

ARTICLE VI INSURANCE

6.01 -- IN GENERAL

The SURVEYOR shall obtain and maintain, for the duration of this Contract, insurance against claims for injuries to persons or damages to property or other losses which may arise from or in connection with the SURVEYOR's negligence or fault in the performance of the work hereunder by the SURVEYOR, the SURVEYOR's agents, representatives, employees, or subcontractors of any tier.

6.02 -- INSURANCE COVERAGES

The SURVEYOR will provide the COUNTY with certificates of insurance for coverage as listed below and endorsements establishing coverage required by this Contract within ten (10) calendar days after approval of this Contract by the Clark County Board of Commissioners. The certificates of endorsement for each insurance policy are to be signed by a person authorized by that insurer and licensed by the State of Nevada. The insurance coverages are to be in the following amounts:

- (A)** The SURVEYOR will maintain general liability coverage at limits of no less than ONE MILLION and 00/100 Dollars (\$1,000,000.00) specified combined single limit per occurrence for bodily injury (including death), personal injury, and property damages. Coverage shall be on an "occurrence basis" only and not on a "claims made" basis; and the coverage must be provided on ISO commercial liability or on ISO broad form comprehensive general liability forms with no exception to the coverage provided in such forms. The policies must include, but not be limited to, coverage for: bodily injury, personal injury, broad form property damages, premises operations, severability of interest, products and completed operations, contractual and independent contractors. The COUNTY, its officers and its employees, and its designated volunteers must be expressly covered as "additional insured's". Policies must contain a primary and non-contributory clause and must contain a waiver of subrogation endorsement. A separate copy of the waiver of subrogation endorsement must be provided. A separate copy of the additional insured endorsement is required and must be provided for Commercial General Liability. Policy number must be referenced on endorsement or the form number must be referenced on certificate.

- (B) Maintain automobile coverage at limits of no less than ONE MILLION and 00/100 Dollars (\$1,000,000.00) combined single limit "per accident" for bodily injury and property damage for all owned automobiles, non-owned automobiles, hired automobiles, or any automobile used on this Project. The COUNTY, its officers and its employees, and its designated volunteers must be expressly covered as "additional insureds".
- (C) Maintain professional liability insurance at limits of no less than ONE MILLION and 00/100 Dollars (\$1,000,000.00) per occurrence to insure against claims or losses arising out of performance of the services provided by the SURVEYOR, the SURVEYOR's agents, representatives or employees pursuant to the SURVEYOR's Contract with the COUNTY. "Claims made" insurance coverage will continue for a period of three (3) years beyond the term of this Contract. Any retroactive date must coincide with or predate the date of this Contract and may not be advanced without the COUNTY's consent. The SURVEYOR's professional liability insurance must provide coverage for the SURVEYOR's subcontractor if the subcontractor does not maintain professional liability insurance in the same amounts and manner as required for the SURVEYOR.

All deductibles and self-insured retention shall be fully disclosed in the certificate of insurance. No deductible or self-insured retention may exceed TWENTY-FIVE THOUSAND and 00/100 Dollars (\$25,000.00) with respect to coverage provided for in paragraphs A and B above, and ONE HUNDRED THOUSAND and 00/100 Dollars (\$100,000.00) with respect to coverage provided for in paragraph C, without written approval of the COUNTY. If aggregate limits are imposed on bodily injury and property damage and professional liability coverage, the amount of such a limit must not be less than twice the amount of the limits required herein. All aggregates must be fully disclosed, and the amount must be entered on the required certificate of insurance. Any notice given to the SURVEYOR with respect to the exhaustion of limits of insurance shall also be sent to the COUNTY. Each insurance company's rating, as shown in the latest "Best's Key Rating Guide" shall be fully disclosed and entered on the required certificate of insurance. The adequacy of the insurance supplied by the SURVEYOR, including the rating and financial health of each insurance company providing coverages, is subject to approval of the COUNTY.

- (D) SURVEYOR agrees, as a condition precedent to the performance of any work under this Agreement and as a precondition to any obligation of the COUNTY to make any payment under this Agreement, to provide the COUNTY with a certificate issued by an insurer qualified to underwrite worker's compensation insurance in the State of Nevada, in accordance with Nevada Revised Statutes 616B.627. Prior to the expiration of such coverage, the SURVEYOR shall provide the COUNTY with proof of continued coverage as a condition precedent to the continuation of work and payments under this Agreement.

The SURVEYOR further agrees to maintain coverage for industrial insurance pursuant to the terms of Nevada Revised Statutes Chapters 616A through 616D inclusive, throughout the term of this Agreement. If the SURVEYOR does not maintain such coverage, or fails to provide proof of continued coverage, the SURVEYOR agrees that the COUNTY may withhold payment, order the SURVEYOR to stop work, suspend the Agreement or terminate the Agreement.

6.03 -- ADDITIONAL COVERAGE

The SURVEYOR's insurance shall be primary except as to professional liability, as respects to the COUNTY, its officers, its employees, and its volunteers. Any other coverage available to the COUNTY, its officers, and its employees shall be in excess over the insurance required of the SURVEYOR. The insurance requirements specified herein do not relieve the SURVEYOR of his responsibility or limit the amount of the SURVEYOR's liability to the COUNTY or other persons, and the SURVEYOR is encouraged to purchase such additional insurance as the SURVEYOR deems necessary.

6.04 -- NOTICE OF CANCELLATION

The insurance certificates supplied by the SURVEYOR must provide for a thirty (30) day notice to the COUNTY before implementation of a proposal to cancel required insurance coverage. This notice requirement does not waive the insurance requirements contained herein. In addition, the SURVEYOR shall notify the COUNTY within thirty (30) days of any reduction in coverage or limits.

6.05 -- COUNTY'S REMEDIES

If the SURVEYOR fails to maintain any of the insurance coverages required under this Contract, the COUNTY will have the option to:

- (A) Terminate the Contract;
- (B) Declare the SURVEYOR in breach of Contract;
- (C) Purchase replacement insurance; or,
- (D) Pay the premiums that are due on existing policies in order that the required coverage may be maintained.

The SURVEYOR is responsible for any costs incurred by the COUNTY to maintain such insurance, and the COUNTY may collect the same from the SURVEYOR or deduct the amount of costs incurred from any sums due the SURVEYOR under this Contract.

ARTICLE VII MISCELLANEOUS PROVISIONS

7.01 -- INDEPENDENT CONTRACTOR

The relationship of the SURVEYOR to the COUNTY shall be that of an independent contractor.

7.02 -- BUSINESS STRUCTURE AND ASSIGNMENTS

The SURVEYOR shall not assign this Contract or dispose of all or substantially all of its assets without the written consent of the Clark County Board of Commissioners.

7.03 -- SUBCONTRACTORS

The SURVEYOR shall not subcontract any part of its performance under this Contract without the written consent of the COUNTY.

7.04 -- PARTIES AND INTERESTS

This Contract shall not bestow any rights upon any third party, but rather shall bind and benefit the COUNTY and the SURVEYOR only.

7.05 -- NON-WAIVER

Failure of either party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon the fault or failure of performance, shall not be considered a waiver of the right to insist upon and to enforce by any appropriate remedy, strict compliance with any other obligation hereunder, or to exercise any right or remedy occurring as a result of any future default or failure of performance.

7.06 -- APPLICABLE LAWS

This Contract is subject to all the laws of the State of Nevada, the ordinances of the County of Clark, Nevada, the laws of the federal government of the United States of America, and all of the rules and regulations of any regulatory body or officer having jurisdiction.

7.07 -- NOTICES

All notices required or permitted hereunder shall be in writing and shall be deemed delivered three (3) days after deposit in a United States Postal Service Post Office receptacle with proper postage affixed (certified mail, return receipt requested) to the respective other party at the address prescribed in the Preamble to this Contract.

7.08 -- PROPERTY: COPYRIGHTS

The SURVEYOR shall furnish to the COUNTY certified copies of all field notes, reports, data, and electronic or magnetic media, and original tracings of all drawings and plans, maps, photographs, and other materials (including, if requested by the Director, surveying computations, surveying sketches, and review drawings) prepared pursuant to this Contract (hereinafter collectively referred to as "Documents.") The originals of such documents shall be and remain the property of the COUNTY.

All of such Documents shall be deemed to be "works made for hire" prepared for the COUNTY. The ownership of all copyrights and all rights embodied in the copyrights in or to such Documents shall rest in the COUNTY when any such is subject to copyright. The SURVEYOR agrees that it, nor any of its employees, shall have any right to copyright any of such Documents. The SURVEYOR further agrees that neither it nor any of its employees shall exercise any of the rights embodied in the copyrights in or to such

Documents, unless authorized to do so by the Clark County Board of Commissioners. The SURVEYOR shall place a conspicuous notation upon each such Document, which indicates that the copyright thereto is owned by the COUNTY.

Should it finally be determined, by a court or other tribunal of competent jurisdiction, that any of such Documents is not a "works made for hire," it is agreed that the provisions of this section shall be termed an assignment, sale, and transfer of the copyright in or to such Documents to the COUNTY for the longest term allowed by law. Notwithstanding the foregoing, the SURVEYOR may retain copies of such Documents and such copies shall remain the property of the SURVEYOR. The SURVEYOR shall have the right to use such copies as it may desire, but the SURVEYOR may not sell, license, or otherwise market such documents.

7.09 -- FORCE MAJEURE

In the event either party is rendered unable, wholly or in part by force majeure to carry out any of its obligations under this Contract, it is agreed that on such party's giving notice of the particulars of such force majeure in writing to the other party as soon as possible after the occurrence of the cause relied upon, then the obligations of the party giving such notice, to the extent it is affected by force majeure, and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inabilities so caused as to the extent provided, but for no longer period. Such cause shall, as far as possible, be remedied with all reasonable dispatch. In such an event, the SURVEYOR shall provide an updated schedule satisfactory to the COUNTY for the completion of the remaining work called for under this Contract.

The term "force majeure" as used herein, shall include, acts of God, acts of the public enemy, war, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, tornadoes, hurricanes, and restraints of government and people, explosions, breakage and not within the control of the party claiming such inability, which by the exercise of due diligence and care such party could not have avoided.

The term force majeure as used herein, does not include; strikes, lockouts, work slowdowns, and other labor disturbances.

7.10-- INSPECTIONS AND AUDITS

The Director shall have the right to perform, or cause to be performed, audits of the books and business records of the SURVEYOR and inspections of all places where work is undertaken in connection with this Contract provided that the SURVEYOR shall not be required to keep such books and business records longer than three (3) years after the termination of this Contract.

7.11--IMMUNITY FOR INCORRECT DATE GENERATION

The COUNTY, its officers and employees shall be immune for any breach of this Contract caused by an incorrect date being produced, calculated or generated by a computer or other information system that is owned or operated by the COUNTY, its officers or employees, regardless of the cause of the error, pursuant to NRS 41.0321.

7.12-- INDEMNIFICATION

Professional Liability

SURVEYOR agrees to indemnify and hold harmless the COUNTY and all the officers, employees and agents of the COUNTY, and each of them, from and against any liabilities, damages, losses, claims, actions or proceedings, including, without limitation, reasonable attorneys' fees and costs, to the extent such liabilities, damages, losses, claims, actions or proceedings are caused by the negligence, errors, omissions, recklessness or intentional misconduct of the SURVEYOR, SURVEYOR's employees and/or agents, in the performance of this Contract. If the SURVEYOR is adjudicated to be liable by a trier of fact, the trier of fact shall award reasonable attorney's fees and costs to be paid to the COUNTY, as reimbursement for the attorney's fees and costs incurred by the COUNTY in defending the action, by the SURVEYOR in an amount which is proportionate to the liability of the SURVEYOR.

SURVEYOR further agrees to indemnify, defend and hold harmless the COUNTY and all the officers, employees and agents of the COUNTY, and each of them, from and against any and all liabilities, damages, losses, claims, actions or proceedings caused by the negligence, errors, omissions, recklessness or intentional misconduct of the SURVEYOR, and SURVEYOR's employees and/or agents, in the performance of this Contract when said liabilities, negligence, errors, omissions, recklessness or intentional misconduct are not based upon or arising out of the professional services performed under this Contract.

SURVEYOR will not be required to defend, indemnify or hold harmless the public body or the employees, officers or agents of the COUNTY from any liability, damage, loss, claim, action or proceeding caused by the negligence, errors, omissions, recklessness or intentional misconduct of the employees, officers or agents of the COUNTY.

General and Automobile Liability

As to acts or omissions which do not arise directly out of the performance of the professional services, including but not limited to those acts or omissions normally covered by general and automobile liability insurance, SURVEYOR agrees to indemnify, defend (at COUNTY's option), and hold harmless the COUNTY, its officers, agents, employees, and volunteers from and against any and all losses, damages, fines, liability, claims, demands, causes of action, costs, expenses, judgments, including but not limited to reasonable costs of investigation, reasonable attorney's fees and expenses, reasonable consultants' fees and expenses, reasonable expert witnesses' fees and expenses and all court or arbitration or other alternative dispute resolution costs arising out of or in connection with the SURVEYOR's and its principals, employees, agents, consultants, and/or contractors.

Furthermore, this entire Section 7.12 survives any termination or completion of this Contract.

7.13—NON-DISCRIMINATION

The SURVEYOR acknowledges that the COUNTY has an obligation to ensure that public funds are not used to subsidize private discrimination. The SURVEYOR recognizes that if they or their subcontractors are found guilty by an appropriate authority of refusing to hire or do business with an individual or company due to reasons of race, color, religion, sex, sexual orientation, transgender, age, disability, national origin, or any other protected status, the COUNTY may declare the SURVEYOR in breach of the Contract, terminate the Contract, and designate the SURVEYOR as non-responsible.

7.14-- ENTIRE AGREEMENT

This Contract contains all of the agreements of the parties.

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original Agreement and each of which shall constitute one and the same Agreement. The counterparts of this Agreement may be executed and delivered by facsimile or other electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

IN WITNESS WHEREOF, the parties have executed this Contract as of the date herein above set forth.

COUNTY OF CLARK, NEVADA

**WALLACE MORRIS KLINE SURVEYING,
LLC**

Randall J. Tarr
Deputy County Manager

Craig Morris
Chief Operating Officer

APPROVED AS TO FORM:

Laura C. Rehfeldt
Deputy District Attorney

EXHIBIT "A"
RECORD OF SURVEY SPECIAL INSTRUCTIONS

The SURVEYOR will provide the following services for the Project:

1. Establish horizontal alignment for the Project and file a Record of Survey with the Office of the County Recorder. The Record of Survey will contain the following information:
 - A. Descriptions of monuments found or set.
 - B. Bearings and ground distances between aliquot corners and monuments along the alignment of public rights-of-way within the West Half of Section 16, Township 20 South, Range 62 East, M.D.M., Clark County, Nevada.
 - C. Relationship to government land corners if the public right-of-way alignment is not coincident with sectional land lines.
 - D. The survey shall re-establish and monument, if necessary, the aliquot parts of the project, down to the 1/16th corner, wherever possible.
 - E. Descriptions of, and distances to, all reference monuments and/or corner accessories found or set to perpetuate the location of a controlling corner used in the alignment determination.
 - F. All monuments set shall be in accordance with NRS 625 and NAC 625, stamped with the Professional Land Surveyor's registration number, and the USPLSS aliquot corner identification as prescribed by the Manual of Surveying Instruction for the Survey of the Public Lands of the United States, 2009.
 - G. The statement, "This field survey was performed to establish and memorialize the street alignments and public rights-of-way within the West Half of Section 16, Township 20 South, Range 62 East, M.D.M., Clark County, Nevada, for Special Improvement District project 164" shall be shown on the face of the map. All intersections and calculated positions shown on the Record of Survey will be monumented in accordance with applicable State statutes and local ordinances prior to being recorded in the office of the Clark County Recorder. The Record of Survey shall be properly recorded in the office of the County Recorder within 90 days following receipt of notice from the Director to begin work under Section 2.01 of this Contract.

EXHIBIT "B"
AERIAL PHOTOGRAMMETRY AND TOPOGRAPHICAL SURVEYING
SPECIAL INSTRUCTIONS

The SURVEYOR will provide the following services for the Project:

1. Designate a current published Clark County Benchmark within the project limits and verify vertical control by checking it against other existing published benchmarks in the area to insure reliability.
2. Aerial topographic survey extents will be constrained to the West Half of Section 16, Township 20 South, Range 62 East, M.D.M., Clark County, Nevada.
3. The completed survey will indicate descriptions, dimensions, and elevations of the following items at:
 - A. Edge and crown of existing pavement at transitions, grade breaks, begin and end of curves along roadways.
 - B. Existing curb, gutter, flowline, sidewalk.
 - C. Power and/or telephone poles.
 - D. Utility pull boxes: traffic signal, school signals/poles, streetlights, telephone and power, cable television.
 - E. Water facilities: manholes, valves, meters, vaults, blow-offs, cathodic protection, Fire hydrants, and etc.
 - F. Drainage facilities: manholes, junction boxes, drop inlets, headwalls, valley gutters, sidewalk drains, culverts, ditches, channels, bubblers, etc.
 - G. Gas facilities: anode stations, valves, etc.
 - H. Fences, walls, gates, mailboxes, lamp posts, planters, etc. that fall within the existing right-of-way.
 - I. All permanent signage (note type).
 - J. Driveways and entrances to alleys, homes, businesses, parking lots, parks, etc., and indicated type – whether dirt, gravel, asphalt, concrete, etc.
 - K. Electrical transformers for underground power.
 - L. Trees that fall within or are within ten feet (10') of the existing right-of-way (indicate diameter if greater than six inches (6")).

- M. Sizes of all pipes within manholes and junction boxing, direction of flow, size and number of grade rings.
 - N. All other information required to prepare a complete and accurate topographic map that is within the limits of survey or otherwise pertinent.
4. Project deliverables may include, but are not limited to; the following:
- A. Aerial control; survey exhibit map.
 - B. Final Right of Way drawings with supporting research.
 - C. One wet stamped Map Accuracy Certification Letter
 - D. AutoCAD digital file of all mapping data.
 - E. AutoCAD digital file of all DTM break-line and DEM mass point information.
 - F. Tiled digital orthophotography in TIFF file format with associated World Files.
 - G. Copy of the aero-triangulation solution and results of the quality assurance checks.
 - H. Digital files of the aerial photography in a raster format for the limits of the topographic mapping.
 - I. One set of 1" = 40' scale check plots of the finished mapping.
 - J. A conformed Mylar copy of the Record of Survey.
 - K. An electronic comma delimited point file in a PNEZD format.
