BACKGROUND:

On June 20, 2017, the Board of County Commissioners approved a professional engineering services contract with CH2M Hill Engineers, Inc. to provide engineering services for various Clark County Department of Public Works storm drainage improvements and repairs, as needed on a work order request format.

The Board previously approved four supplementals to the professional engineering services contract with CH2M Hill Engineers, Inc. for additional engineering services and a time of performance extension to December 31, 2023, with an option to extend one additional year.

The attached Supplemental No. 5 to the professional services contract with CH2M Hill Engineers, Inc. increases total funds for additional design and construction support services to existing work order projects.

CH2M Hill Engineers, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the fifth supplemental contract as to form.
