**LAND USE PLAN:**

SOUTH COUNTY - CORRIDOR MIXED-USE

**BACKGROUND:**

**Project Description**

General Summary

- Site Address: N/A
- Site Acreage: 2.66 acre portion of a 32.0 total acre site
- Existing Land Use: Undeveloped

Applicant's Justification

According to the applicant this parcel is currently being subdivided into 2 parcels. The rezone is for the 2.66 acre parcel, known as Parcel 1. The applicant is proposing a zone boundary amendment to Commercial General (CG). The H-2 zoning on this site is no longer a zoning category in Title 30 and is being phased out. Furthermore, the property is situated in an area where nearby zoning classifications support the change.

UC-26-0197	A use permit, waivers of development standards, and design review for a communication utility building is a companion item on this agenda.

### **STANDARDS FOR APPROVAL:**

The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

### **Analysis**

#### **Comprehensive Planning**

In addition to the standards for approval, the applicant must demonstrate the zoning district is compatible with the surrounding area. Staff finds this area is vastly surrounded by undeveloped RS80 and H-2 zoning and rezoning the 2.66 acre portion of the subject parcel to CG should not be detrimental to the area. As of January 1, 2024, H-2 zoning is no longer an established zoning district in Title 30 and is being phased out. The conversion to an appropriate zoning district is encouraged by the County. Additionally, the site is located along US 95 and therefore, the proposed rezone will adhere to Policy 5.5.1 of the Master Plan which encourages designating and supporting the development of industrial and employment uses in areas that are proximate to major air, rail, and highway facilities. For these reasons, staff finds the request for the CG zoning district is appropriate for this location.

#### **Staff Recommendation**

Approval. This item will be forwarded to the Board of County Commissioners' meeting for final action on June 17, 2026 at 9:00 a.m., unless otherwise announced.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
