SPRING VALLEY - BUSINESS EMPLOYMENT

BACKGROUND:

Project Description

The plans provided show the vacation and abandonment of patent easements within APN 176-03-402-003 and APN 176-03-402-002. The applicant states the necessary right-of-way dedications have occurred, and additional easements will be dedicated during the Off-site Improvement Plan Review. Therefore, patent easements are no longer required, and the vacation and abandonment requests are appropriate for the development of the site. The plans show that the western 5 feet of Tenaya Way and southern 5 feet of Arby Avenue adjacent to the subject site are proposed to be vacated to accommodate detached sidewalks. The plans also show the vacation and abandonment of Monte Cristo Way along the west boundary of the site to accommodate the proposed development.
