For the following questions, please feel free to attach additional pages as necessary.

List 3 issues impacting rural communities?

1. Development encroaching and filling in rural communities.
2. Balancing needed infrastructure and services with maintaining a community that keeps the area aligned with rural values.
3. Water needs both from municipal water supplies and well usage. Environmental impacts of rural living balanced with the needs of rural preservation.

Please list any boards or committees that you currently serve on:

Nevada State OSHA Review Board
Nevada Self Insured Association

Why are you interested in becoming a member of the RAAC?

I would like to help preserve my rural community while looking to keep an open mind for future development. If projects jeopardizes the rural values of the community, but are essential to growth we will need to find a compromise that makes the least amount of people upset.
