(Note: This document and accompanying materials become public record once received by Clark County.)

NRS 461A.215, adopted by the 2003 Nevada Legislature in Assembly Bill (A.B.) 230 and amended in 2005, requires the board of directors or trustees of a mobile home park that meets the statutory criteria to consist of three (3) directors or trustees who are residents of the mobile home park and elected by park residents, three (3) directors or trustees appointed by the governing body of the local government with jurisdiction over the location of the park, and three (3) directors or trustees elected by a majority of the other directors or trustees selected pursuant to the statutory provision.
