To Whom It May Concern,

My name is Jillian Bleck and my passion for reading and public service has led me to apply for the Boulder City Library Board of Trustees. I am currently enrolled in a Masters of Secondary Humanities Education program and plan on teaching high school art when I am finished. Both art and reading have been a lifeline for me throughout my life, and I am looking for more ways to become a servant in my community. The public library provides so many opportunities for learning and community outreach, and I believe I can bring the energy and passion needed to keep Boulder City Library a pillar in our community. Thank you for your consideration and for all the work you do with Boulder City Library.

Sincerely,

Jillian Bleck
