BACKGROUND:

On November 23, 2019, Clark County and PrimeCare Administrators, Inc. (NBE) entered into a Dental Network Access Agreement, in the amount of \$65,000 annually to provide access of dental services to underprivileged and underserved persons in Clark County as part of a community and social services outreach program pursuant to Chapter 428 of the Nevada Revised Statutes.

The following are the pertinent provisions of the Contract:

- The term of the Contract was from Effective Date through one (1) year and automatically renewed for successive one-year periods following the Initial Term.
- Included the County's option to terminate for cause, convenience or default and suspend the Contract with advanced written notice.

Amendment No. 1 added a one-time amount of \$302,000 for a deposit required for two mobile health units that the provider purchased.

Amendment No. 2 changed the renewal terms of the Contract to up to four (4) successive one-year periods following the initial term (through 2028) and established an event minimum rate for each event the mobile health unit was deployed to.

Approval of Amendment No. 3 will increase funds for the continuation of service through the remaining renewal terms. The attached Amendment No. 3 document details the modifications and costs involved.

PrimeCare Administrators, Inc. currently holds a Clark County Business License.
