BACKGROUND:

On July 17, 2018, the Board of County Commissioners (Board) approved the award of CBE No. 604932-18 to CDW Government LLC (LBE) in the amount of \$2,400,000 annually to provide the purchase of equipment, software, peripherals, and related service.

On October 15, 2019, the Board approved a funding increase of \$1,700,000.

The following are the pertinent provisions of the Contract:

- The term of the Contract was from March 1, 2018 through February 28, 2023, and included the option to renew for two (2) additional one-year periods. There is 1 renewal option remaining.
- Clark County is not under exclusive contract with CDW Government LLC and therefore, can cease purchasing at any time.

A revised Fiscal Directive No. 6, Competitive Bidding Exception, was approved because it is necessary to continue purchasing hardware, software, and support due to increased demands.

This approval will provide for a funding increase due to an increase in changing technology requirements that will require maintenance renewals, new purchases, and additional services.

CDW Government LLC currently holds a Clark County Business License.
