### Analysis

#### Comprehensive Planning

Staff finds that the subject site is abutting an NPO-RNP Overlay District, which requires 10,000 square foot residential lots along Valley View Boulevard to serve as a transition between the NPO-RNP and the proposed subdivision with RM18 zoning. However, the abutting NPO-RNP Overlay is undeveloped, APN 177-30-801-005, which has a planned land use of Low-Intensity Suburban Neighborhood. Staff finds that the provision of 10,000 square foot lots abutting the NPO-RNP Overlay is unnecessary since the parcel is undeveloped and is surrounded by existing residential neighborhoods that are also zoned RS3.3. This tentative map is accompanied with a companion items plan amendment (PA-25-700006), zone change (ZC-25-0086), vacation and abandonment (VS-25-0087), planned unit development (PUD-25-0088) and waiver of development standards (WS-25-0089). Staff deemed that the PA-25-700006 and ZC-25-0086 to be appropriate at this location. However, approval is contingent upon approval of the companion waiver and planned unit development for the entire project; which staff is not supporting; therefore, staff cannot support this request.
