BACKGROUND:

On July 12, 2018, the Regional Transportation Commission of Southern Nevada (RTC) approved Interlocal Contract No. 1019 for the Silverado Ranch Boulevard between Jones Boulevard and Dean Martin Drive project (No. PW.R114DFT) on its annual Capital Improvement Program initially from Fuel Revenue Indexing Funds. The Board of County Commissioners approved this contract on August 7, 2018, for engineering for the project.

RTC and the Board subsequently approved two supplementals to increase funds for engineering and construction for the project.

The attached Supplemental No. 3 to Interlocal Contract 1019 extends the term of the contract for the project to June 30, 2028, unless further time extensions are granted. The current total contract value for the subject project is \$13,396,000.

RTC approved the third supplemental contract at its meeting on June 8, 2023.

The District Attorney's Office has reviewed and approved the third supplemental contract as to form.
