

CLARK COUNTY BOARD OF COMMISSIONERS

AGENDA ITEM

Petitioner: Charles A. Mapp, Sr., Las Vegas Justice Court Administrator/Clerk of the Court

Recommendation:

Approve and authorize the acceptance of a grant from the Administrative Office of the Courts (AOC) in the amount of \$20,000 to support implementation of the National Open Data Standards (NODS) and integration of the Las Vegas Justice Court case management system with the Nevada statewide court data warehouse; authorize the LVJC Chief Judge or Court Administrator to sign the grant award acceptance letter, data sharing agreement, and any additional documents related thereto; and authorize the development and implementation of the technology, reporting infrastructure, data mapping, testing, validation, and administrative support required to comply with Nevada Supreme Court and AOC statewide reporting requirements. (For possible action)

FISCAL IMPACT:

Fund #:	2161.000	Fund Name:	Court Education Program - Grant Funding
Fund Center:	1184550000	Funded PGM/Grant:	TBD
Amount:	\$20,000		
Description:	Las Vegas Justice Court NODS and Data Warehouse Integration Project		
Additional Comments:	Grant funding will support implementation of the National Open Data Standards (NODS) and integration of the Las Vegas Justice Court's case management system with the Nevada Administrative Office of the Courts' statewide data warehouse, including data mapping, testing, validation, reporting infrastructure, and compliance with statewide reporting requirements.		

BACKGROUND:

The Nevada Administrative Office of the Courts (AOC) is implementing the National Open Data Standards (NODS) and developing a statewide court data warehouse to enhance judicial reporting, data governance, transparency, and statewide analytics. Courts utilizing the AOC-sponsored case management system will be integrated through the statewide implementation; however, courts operating independent systems must develop the technical infrastructure necessary to meet statewide reporting requirements and connect to the data warehouse.

Las Vegas Justice Court seeks to accept grant funding in the amount of \$20,000 to support data mapping, system development, testing, validation, and integration activities necessary to implement NODS reporting standards and establish connectivity with the statewide court data warehouse..
