LETTER OF INTEREST

My name is Barbara Foley, and I am interested in serving on the Spring Valley Advisory Board. I have no resume to refer to, as I am retired. I retired as a Senior Surveillance Agent from a local casino completing 25 years just in the Surveillance Department alone. As with that endeavor, I learned from the bottom up as I “Observed”. OJT as they say, On the Job Training. I have been to many meetings now at both the planning committee and the commissioners. I have sat through numerous hours before we were engaged, learning about various issues I was not aware of. OJT as I watched and listened, you could say. I believe this board needs some fresh ideas and thoughts on how they are transparent with projected projects and how the community involved is notified and eventually heard. Comments are only allowed as opposed to questions. The board’s questions should not necessarily be the only priorities, but the community as well.

I believe I have enough thought and common sense, to be on this board. OJT is good. All opinions and relative facts to the neighbors must be heard and weighed. I believe a diverse opinion on this board would do all the community good and I believe that I am that person. A 5-0 vote or 3-0 vote or even 7-0 votes on so many issues cannot possibly reflect the voters in the community. I have the time now, being retired, and would like to be even more involved.
