**BACKGROUND:**

Clark County established a self-funded group medical and dental benefits program in 1984 to provide group medical and dental benefits to the employees of Clark County and affiliated entities. The program consists of a preferred provider organization (PPO) plan and an exclusive provider organization (EPO) plan. The last premium increase of 2% for the PPO plan and 1% for the EPO plan was approved on August 16, 2022, for plan year 2023. A premium increase of 5% is being proposed for the PPO and EPO plans for plan year 2024. This increase will impact actives and early retirees, with no proposed increase for Medicare retirees.

Effective January 1, 2024, members of the Police Protective Association Civilian Employees ("PPACE") bargaining unit will be eligible to participate in the Plan. The amendment to the Interlocal Agreement will allow PPACE members to participate as employees of the LVMPD.
