FISCAL IMPACT:

None by this action.

BACKGROUND:

On August 2, 2023, the Board of County Commissioners (Board) adopted the rewrite of Title 30 which included a new naming convention for existing zoning districts and the elimination of the H-2 Zone since this district was removed from Title 30 twenty-three years ago. In preparation of implementing the rewrite of Title 30, which becomes effective January 1, 2024, this ordinance is to officially change the names of the zoning districts. As shown in the table below, a majority of the renamed zoning districts will simply be a one-to-one renaming while the H-2 Zone will be handled on a case-by-case basis after analysis of the uses and zoning districts of the surrounding areas to determine the appropriate zoning district.
