APPROVED - FORWARDED TO THE 01/22/25 BCC MEETING.

CONDITIONS OF APPROVAL -

Comprehensive Planning

- Applicant is advised within 4 years from the approval date a final map for all, or a portion, of the property included in this application must be recorded or it will expire; an application for an extension of time may only be submitted if a portion of the property included under this application has been recorded; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if there has been no substantial work towards completion; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.

Public Works - Development Review

- Drainage study and compliance;
- Traffic study and compliance;
- Full off-site improvements;
- 30 days to coordinate with Public Works - Design Division and submit separate document if required, for dedication of any necessary right-of-way and easements for the Traffic Signal Improvements at Various Locations 209 improvement project. 90 days to record said separate document for the Traffic Signal Improvements at Various Locations 209 improvement project;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for bus turnout including passenger loading/shelter areas in accordance with RTC standards along Cactus;
- The installation of detached sidewalks will require the vacation of excess right-of-way and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control devices.

Building Department - Addressing

- Approved street name list from the Combined Fire Communications Center shall be provided.

Department of Aviation

- Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office at landuse@lasairport.com is strongly encouraged; and that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998, and funds will not be available in the future should the residents wish to have their homes purchased or soundproofed.

Fire Prevention Bureau

- Applicant is advised that dead-end streets/cul-de-sacs in excess of 600 feet must have an approved Fire Department turn-around provided. Per UDACS DWG #212, the diameter of the cul-de-sac is required to be 116 feet.
- Applicant to show fire hydrant locations on-site and within 750 feet.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0165-2024 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates

may require another POC analysis.
