BACKGROUND:

In 2022, in response to the unprecedented crisis in housing affordability and availability in Southern Nevada, the Board of County Commissioners created the Community Housing Fund (CHF) and subsequently directed staff to create programs to utilize the fund and incentivize the creation of attainable housing. This presentation will include a brief update on the Welcome Home programs, including the status of the Welcome Home Community Land Trust (CLT). The CLT will create affordable homeownership opportunities for those priced out of the housing market in Southern Nevada.
