Dear Honorable County Commissioner Justin Jones:

I am interested in serving on the Goodsprings Citizen Advisory Council Board. My family has lived in Goodsprings for three generations and we have invested all we have to make Goodsprings our home. I see Goodsprings continuing to be my family's home for generations to come.

I am a member of the Goodsprings Historical Society, and have been for more than 4 years, in various capacities, including Vice President. I am currently the President of the Goodsprings Cemetery Association and have been a member of this association for over 5 years. I volunteered on the Goodsprings Volunteer Fire Department for 16 years. I worked all positions such as firefighter, engineer, Assistant Chief and Fire Chief. I worked for the Clark County Fire Department until my retirement in 2014 where I worked as a firefighter and as an acting engineer.

All of these positions have taught me how to understand my neighbors' concerns and to assist in creating solutions through facilitation, coordination, networking and problem solving. If granted the opportunity to work on the board, I will stay informed of all matters pertaining to Goodsprings, provide input regarding various matters, communicate the concerns to the County Commissioners, help with long-term planning, and circulate information to the residents of Goodsprings.

I appreciate the opportunity to work on the advisory board and to serve my community. If you have any questions for me, please feel free to reach out.

Thank you,  
Stephanie Stephens
