Review previous fiscal year budget requests and take public input regarding requests for the next fiscal year budget. (For discussion only)

After much discussion, it was decided to redo Budget requests. No further need for soccer fields, with the additions in Logandale. #2 & #4 for additional lights are in design currently along with paving in front of the Library. There is need fir more teenage activities, trees for shade, need splash pad to work, and some kind of shade covering in that area. There is also a need for more access to gym. Also a need for classroom space. The gym doesn't help due to one class at a time because of the noise.

The following is the updated Parks and Public Works requests.
