**ATTACHMENT A
SCOPE OF WORK**

**PRACTITIONER UPPER PAYMENT LIMIT (UPL)
SUPPLEMENTAL PAYMENT PROGRAM**

In order to preserve access to practitioner services for needy individuals in the State of Nevada at non state governmentally owned hospitals, and to recognize the higher costs incurred by teaching programs when providing said services, the State of Nevada, Division of Health Care Financing and Policy (DHCFP) shall provide Supplemental Payments to non-state, governmental owned or operated teaching hospitals.

I. SUPPLEMENTAL PAYMENTS

In consideration of these payments, Clark County (hereinafter referred to as "County") as owners and operators of the non-state, governmental owned or operated teaching hospital in the County, University Medical Center (hereinafter referred to as "UMC"), shall make payment to DHCFP as follows:

1. Commencing for the quarterly period July 1, 2022 through September 30, 2022 and for each quarterly period thereafter, DHCFP shall pay UMC, not later than the last business day of the month following the preceding quarter's end, the Supplemental Payment described in the Nevada Medicaid State Plan. Each Supplemental Payment shall be contingent upon the following:
 - a. Receipt by DHCFP from the County in an amount corresponding to the State's federally required participation share of the total Supplemental Payment payable to UMC;
 - b. Receipt by DHCFP of an Administrative Fee from the County that shall be 12.5% of the total Supplemental Payment payable to UMC each quarter, at this time estimated to be \$125,000 annually or \$31,250 per quarter during the contract term.

II. FUNDING REQUIREMENTS

1. Funds used to pay the State's federally required participation share referenced in section 1 (a) above and the Administrative Fee reference in section 1 (b) above shall be non-federal funds not used as match for any other federal grant. Funds used to pay these amounts must also meet the requirements for the State share at 42 C.F.R. 433.51
2. In the event an audit results in findings that federal funds were obtained or paid incorrectly for any activities provided under this Agreement, and those findings require repayment of such funds, the repayment will come from UMC to be determined by the audit findings. Such repayments may be obtained by offset of future payments due under this Agreement or by offset of other payments due to UMC from DHCFP, or by any other legal means.
3. UMC shall be responsible for UMC data which forms the basis of any claim submitted or payment received by UMC. Claims must be complete and accurate as determined by MMIS.
4. Approval by the federal Centers for Medicare and Medicaid Services ("CMS"), of the payments, terms and conditions of this Agreement, are a condition precedent to the obligations of either party under this Agreement and this agreement will therefore not be enforceable without CMS approval.

The parties shall comply with any conditions imposed currently or in the future by CMS, related to the Supplemental Payments.

- 5. All payments under this Agreement are contingent upon:
 - a. The availability to DHCFP of the necessary funds from the federal government; and,**
 - b. The availability of funds to provide the State share of Supplemental Payments and of Administrative Fees.****

- 6. In the event that sufficient funds, as determined by DHCFP, are not available for any reason, DHCFP shall not be obligated to make any payments to UMC under this Agreement. DHCFP will notify UMC of the insufficient funds within 30 days after making that decision. If the State Share and/ or Administrative Fees have been paid to DHCFP for a quarter in which the County has been notified there were insufficient federal funds to issue the supplemental payment as described above, the portion of the State Share and Administrative Fees that cannot be matched by Federal Funds will be returned to the County. Nothing in this Agreement shall be construed to provide UMC with a right to payment over any other entity. If any payments which are otherwise due to UMC under this Agreement are deferred because of the unavailability of sufficient funds, such payments will be made to UMC if sufficient funds later become available.**
