**Commissioner Justin Jones District F**

Dear Recipient,

I was advised by the Secretary of Goodsprings that there is an open position for the town board. I'm interested in the opportunity to be a town council member. I would enjoy being more involved within my community and to see it thrive.

My father and I were able to get our business approved by the Goodsprings town board this year. It was an interesting and exciting experience. We were able to see the ins and outs of how the government worked involving approval for our business. I learned so much about the government and I really enjoyed the aspects of being a part of the process. I want the best for my community in Goodsprings and I would enjoy being a part of decision making within the town.

I have great skills with the public being a manager for our privately owned business in Goodsprings. I have also volunteered with big brothers and sisters and participated in various walks for the Cystic Fibrosis Foundation. I'm always volunteering within my community and I feel I would benefit the town by being on the board.

Warm regards,

Shannon Wiegand
