Applicant's Justification

The applicant is requesting a Master Plan Amendment to Corridor Mixed-Use (CM). There is also a companion zone change request on a 1.99 portion of the site from RS20 to CG. This zone change requires a Master Plan Amendment to the Corridor Mixed-Use land use category. One of the subject parcels for the overall site is already designated Corridor Mixed-Use (CM). According to the applicant, there is a need for commercial development in the area to meet the needs of residents.

STANDARDS FOR ADOPTION:

The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

Analysis**Comprehensive Planning**

The applicant shall establish the request is consistent with the overall intent of the Master Plan by demonstrating the proposed amendment 1) is based on changed conditions or further studies; 2) is compatible with the surrounding area; 3) will not have a negative effect on adjacent properties or on transportation services and facilities; 4) will have a minimal effect on service provision or is compatible with existing and planned service provision and future development of the area; 5) will not cause a detriment to the public health, safety, and general welfare of the people of Clark County; and 6) adherence to the current goals and policies of the Master Plan would result in a situation neither intended by nor in keeping with other core values, goals, and policies.

The applicant requests a change from Urban Neighborhood (UN), Compact Neighborhood (CN), and Mid-Intensity Suburban Neighborhood (MN) to Corridor Mixed-Use (CM). Intended primary land uses in the proposed Corridor Mixed-Use land use category include a mix of retail, restaurants, offices, service commercial, entertainment, and other professional services. Supporting land uses include moderate density multi-family residential dwellings, as well as public facilities such as civic and government uses, plazas, pocket parks, places of assembly, schools, libraries, and other complementary uses.

Staff finds the request for the Corridor Mixed-Use (CM) land use category appropriate for this location. Several similar commercial centers exist along this portion of Decatur Boulevard and Spring Mountain Road. The request complies with Policy 5.5.3 which encourages the retention and revitalization of established local business districts and the establishment of small businesses in unincorporated Clark County. For these reasons, staff finds the request for the Corridor Mixed-Use (CM) land use category is appropriate for this location.

Staff Recommendation

Adopt and direct the Chair to sign a resolution adopting the amendment. This item will be forwarded to the Board of County Commissioners' meeting for final action on March 4, 2026 at 9:00 a.m., unless otherwise announced.

If this request is adopted, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
