STANDARDS FOR APPROVAL:

The applicant shall demonstrate that the proposed request is consistent with the Master Plan and is in compliance with Title 30.

Analysis

Comprehensive Planning

A special use permit is considered on a case by case basis in consideration of the standards for approval. Additionally, the use shall not result in a substantial or undue adverse effect on adjacent properties, character of the neighborhood, traffic conditions, parking, public improvements, public sites or right-of-way, or other matters affecting the public health, safety, and general welfare; and will be adequately served by public improvements, facilities, and services, and will not impose an undue burden.

Staff finds the proposed retail use will not result in a substantial or undue adverse effect on adjacent properties or businesses. The use is consistent and compatible with the other previously approved uses within the shopping center. The use will not impact any residential uses since the site is surrounded by commercial, industrial, and public facility uses. Previously, UC-15-0687 was approved to reduce the parking spaces to 108 spaces where 148 spaces were required. Per new code, the required number of parking spaces for the entire shopping center is 88 spaces. Therefore, there is adequate parking available to accommodate a retail use at this location. Staff can support this request.

Staff Recommendation

Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
