6. Clark County Parks and Recreation regarding activities and events: Kelly Vaughn: Spooktacular was successful. The holiday bizzar and parade were further discussed. Santa will be at the community center after the parade.
7. Clark County Administrative Services regarding Public Works requests, highway mile markers, SNPLMA park improvement/expansion project, area development projects, TAB recruitment, and any other updates from Clark County: There is a speed limit sign on Raleigh. Still working on the mile markers being incorrect. The apartment complex will return to the ISTAB and ask for support of an extension. The development beyond the Beezer development will be at the December meeting. Community concerns included: 1. Mi Casita having very confusing addresses. This has caused several problems during emergency response. 2. There are several properties around town that are fire hazards and are unoccupiable.

VI. Planning and Zoning: None

VII. General Business

1. Shahzad Lateef, the Senior Project Director for NVEnergy's Greenlink project, will present information and answer questions about the project: Brought a map of the proposed Greenlink map. It was not received favorably.
2. Levi Cox and Devan Muto with EDF Renedwables will give an update on the proposed Bonanza Solar project: This proposed project would be approximately 1 mile west of Cactus Springs and cover approximately 2000 acres. The public is adamantly against the approval of this project and reallocation of BLM open land.
3. Review previous budget requests and provide input on requests for the upcoming budget cycle: Budget requests were renewed and discussed.

VIII. Comments by the General Public- Jayme Brown requests information on the process of making a portion of Indian Springs a Rural Preservation Area in order to preserve some of rural standards.
