Subject: FW: Invoices for Case Nos.

Good afternoon,

Please see attached email & invoices from Hearing Officer Tobler who expended a total of 26.9 hours on the Hearing, totaling \$1,883.00 in compensation sought. Please process payment for Invoice A which I hereby approve for immediate payment of 10.0 hours (\$700.00). As to the remaining 16.9 hours delineated in Invoice B (\$1,183.00), please submit this for approval by the Board of County Commissioners pursuant to Clark County Code 2.68.060 which states that, "In the event that a hearing officer serves more than ten hours on any given hearing, he may submit to the board a written statement requesting additional compensation and setting forth reasons therefor. The board may authorize such additional compensation at the rate of seventy dollars per hour if it is satisfied that the additional hours of service were justified and necessary."

Ms. Tobler states in Invoice B that *"The services provided were justified and necessary in this matter. This matter involved 13 minors of the same father and 3 separate mothers, thus requiring 3 separate cases assigning the minors to their respective mothers. The Decision was 19 pages long in order to address all the minors and five separate substantiations, as well as whether a conclusive presumption should apply in two cases.."*

Please let me know if there is anything I can do to facilitate immediate payment to Ms. Tobler.
