PLAN AMENDMENT to redesignate the existing land use category from Neighborhood Commercial (NC) to Business Employment (BE) on 0.95 acres.

Generally located east of Decatur Boulevard and north of Eldorado Lane within Enterprise. MN/rk (For possible action)

RELATED INFORMATION:

APN:

177-07-105-005; 177-07-105-008

EXISTING LAND USE PLAN:

ENTERPRISE - NEIGHBORHOOD COMMERCIAL

PROPOSED LAND USE PLAN:

ENTERPRISE - BUSINESS EMPLOYMENT

BACKGROUND:

Project Description

General Summary

- Site Address: 4880 W. Eldorado Lane
- Site Acreage: 0.95
- Existing Land Use: Single-family residence

Applicant's Justification

The applicant is requesting a Master Plan Amendment from Neighborhood Commercial (NC) to Business Employment (BE). The applicant is also requesting a zone change on these parcels from RS20 (Residential Single-Family 20) to IL (Industrial Light). This zone change requires a Master Plan Amendment to the Business Employment (BE) land use category. According to the applicant, the site's location and size make it less likely or less viable for commercial development. Light industrial development at the site accomplishes master plan goals encouraging the promotion of different industries and employment opportunities. The site is just east of the Union Pacific Railroad. There are existing Business Employment (BE) designations along the railroad and further to the east side as well.

Surrounding Land Use

	Planned Land Use Category	Zoning District (Overlay)	Existing Land Use
North & South	Neighborhood Commercial	RS20	Undeveloped
East	Ranch Estate Neighborhood (up to 2 du/ac)	RS20 (AE-60 & NPO-RNP)	Single family residential
West	Neighborhood Commercial	CG	Mini warehouse facility

STANDARDS FOR ADOPTION:

The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

Analysis

Comprehensive Planning

The applicant shall establish the request is consistent with the overall intent of the Master Plan by demonstrating the proposed amendment 1) is based on changed conditions or further studies; 2) is compatible with the surrounding area; 3) will not have a negative effect on adjacent properties or on transportation services and facilities; 4) will have a minimal effect on service provision or is compatible with existing and planned service provision and future development of the area; 5) will not cause a detriment to the public health, safety, and general welfare of the people of Clark County; and 6) adherence to the current goals and policies of the Master Plan would result in a situation neither intended by nor in keeping with other core values, goals, and policies.

Staff finds the request to redesignate the site to Business Employment (BE) to be too intense for, and not compatible with, the areas on the east side of Decatur Boulevard. The site is adjacent to an RS20 Zone within the Neighborhood Protection (RNP) Overlay to the east and there are currently no industrial zoned or planned uses on the east side of Decatur Boulevard between the railroad tracks to the north and Maulding Avenue to the south. Therefore, Decatur Boulevard currently acts as a clear line of demarcation between the light industrial uses to the west and the Ranch Estate Neighborhood farther to the east.

The request to Business Employment (BE) does not comply with Policy 6.2.1 of the Master Plan which promotes ensuring the design and intensity of new development is compatible with established neighborhoods and uses. The request is also not consistent with Policy 1.4.4 of the Master Plan which encourages in-fill development that is compatible with the scale and intensity of the surrounding area. For these reasons, staff cannot support the request.

Staff Recommendation

Denial. If approved, adopt and direct the Chair to sign a resolution adopting the amendment. This item will be forwarded to the Board of County Commissioners' meeting for final action on July 22, 2026 at 9:00 a.m., unless otherwise announced.

If this request is adopted, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
