The cost for this maintenance, \$339,828.09, of which \$174,828.09 is available from other sources and \$165,000.00 is paid for by special assessments levied against benefitted lots, tracts, and parcels of land in SID No. 126B.

The resolution calling for the assessment roll, which includes the name and address of each tract owner to be assessed, a description of each tract and the amount of the proposed assessment, directs the Director of Clark County Department of Public Works to prepare the assessment roll. The resolution calling for a public hearing on the assessment roll is scheduled for Tuesday, May 19, 2026, at 10:00 a.m., in the Clark County Commission Chambers for the Board of County Commissioners to hear and consider complaints, protests and objections to the assessments.
