PROFILE

I enjoy working with patients every day and am always eager to learn. I am motivated to work hard to be successful in my profession. Recently, during the COVID pandemic, I have become the only Nurse in my dept. that takes care of these patients 100% of the time. My work has aided in making policies and procedures for Desert Springs, and I have been fortunate enough to be recognized by the Valley Health System, as well as Fox News & Fox Sports for my leadership during the pandemic. The knowledge I have gained throughout my career has been immense, and has helped me become a better caregiver to my patients.

To Whom It May Concern,

I am writing to express my keen interest in joining the Clark County Opioid Task Force. As a seasoned Emergency Medicine Specialist, I have a firsthand understanding of the devastating impact the opioid crisis has had on our community. My extensive clinical experience and advanced skill set in emergency medicine make me well-equipped to contribute meaningful solutions to this pressing issue.

I bring a unique perspective, backed by a robust medical background and a proven track record in quick decision-making under high-stress situations. I am committed to leveraging my skills to develop comprehensive interventions, educational programs, and support systems that directly benefit those affected by opioid abuse.

I am highly motivated and eager to contribute to the task force's mission. I look forward to the possibility of discussing my application further.

Sincerely,
