Why are you interested in becoming a member of your TAB or CAC?

I am interested in joining the Red Rock Citizens Advisory Council because I am passionate about contributing to the sustainable development and preservation of this unique area. With a background in real estate and photography, I understand the value that the natural landscape brings to our community, both economically and environmentally. Serving on the council would allow me to actively participate in shaping policies and projects that balance growth with conservation, ensuring that Red Rock remains a vibrant and beautiful place for current and future generations. I'm eager to collaborate with others to address the community's needs and to bring my perspective and expertise to the council's efforts.

Dear Members of the Selection Committee,

I am writing to express my interest in serving as a member of the Red Rock Citizens Advisory Council for Clark County, Nevada. Having worked as a real estate photography business owner in Las Vegas and its surrounding areas, I have developed a deep appreciation for the unique landscapes and natural beauty of the Red Rock area. My professional background, combined with my passion for landscape photography and my familiarity with the region, positions me well to contribute meaningfully to the council.

As a former real estate agent and now the owner of Seubert Media, a real estate photography business, I am dedicated to capturing the essence of Clark County's communities in a way that highlights both their aesthetic and economic value. I understand the challenges and opportunities presented by land use, development, and conservation, and I am committed to helping foster balanced, thoughtful growth while preserving the unique environment that makes the Red Rock area so special.

I am enthusiastic about the opportunity to engage with the council and other community members to address key issues impacting the Red Rock area. I am confident my experience in both real estate and visual media, combined with my local knowledge, will allow me to provide valuable insights into discussions about development, environmental protection, and public access in a way that promotes sustainable use of our community's resources.

Thank you for considering my application. I am looking forward to the possibility of contributing to the council's important work and supporting the well-being of the Red Rock area and its residents.

Thomas Seubert
