BACKGROUND:

The Clark County Department of Aviation (CCDOA) evaluated firms to provide professional services for CCDOA's Capital Improvement Program through a Statement of Qualifications (SOQ) process. The SOQ establishes a listing of firms that meet minimum requirements to provide professional services for CCDOA. The list is comprised of 91 qualified firms in one or more of 8 professional service categories.

The following firm recommendations presented in the attached SOQ provider list are presented to the Board of County Commissioners' for approval.

The pre-qualification list may be used from May 5, 2026, through May 4, 2028, with the option to extend for one additional year at CCDOA's sole discretion.
