**BACKGROUND:**

The Clark County Regional Flood Control District (RFCD) has programmed funds to design and construct flood improvements. On August 12, 2021, the RFCD approved an interlocal contract for the Flamingo, Cimarron Branch between Russell Road and Patrick Lane project in its 2018 Clark County Flood Control Master Plan Update, Structures No. FLCM 0003. The Board of County Commissioners approved this contract on September 21, 2021.

Supplemental No. 3 to the interlocal contract increases funds for design to cover the cost for consultant design services. The time of performance remains effective to June 30, 2026, unless time extensions are granted.

RFCD approved the third supplemental contract at its meeting on October 10, 2024.

The District Attorney's Office has reviewed and approved the third supplemental contract as to form.
