The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

Analysis**Comprehensive Planning**

In addition to the standards for approval, the applicant must demonstrate the zoning district is compatible with the surrounding area. The request is in conformance with the Master Plan. Currently, the property is zoned RS20 and has been undeveloped for many years. The proposed density of this project is compatible with the nearby land uses in the area. The request complies with Policy 1.1.1 of the Master Plan which encourages the provision of diverse housing types at varied densities and in numerous locations; in particular, seek opportunities to expand “middle” housing options that are less prevalent such as duplexes, townhomes, triplexes, fourplexes, and smaller multiple family complexes. For these reasons, staff finds the request for the RM18 Zone appropriate.
