

Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) Application

Name of the TAB/CAC Applying for: Enterprise

TABs and CACs were created to assist the Board of County Commissioners in an advisory capacity with the decision-making process in the governance of the unincorporated towns and areas of Clark County. There are 8 TABs and 6 CACs that are appointed by the County Commission and 5 TABs that are elected. Each TAB or CAC consists of area residents that serve without compensation for two-year terms and attend regularly scheduled public meetings throughout the year.

Full Name: Joseph Throneberry Phone Number:

Email Address:

Home Address: 12020 Southern Highlands Pkwy. 1130 Las Vegas, NV 89141

Mailing Address: 12020 Southern Highlands Pkwy. 1130 Las Vegas, NV 89141

Employer: Cox Enterprises, Inc. Occupation: Manager, Enterprise Security

Note: This document and accompanying materials become public record once received by Clark County.

• To be eligible to serve, you must be both a qualified elector (eligible to vote) and a resident of the unincorporated town or area encompassed by the TAB or CAC. Before you continue, please indicate if you meet the eligibility requirements: Yes No

• Meeting days, times, and frequency vary from one TAB/CAC to another. The schedules are listed here: https://www.clarkcountynv.gov/government/departments/administrative_services/town_liaison_services/tab_cac_information.php

If appointed, will you be able to attend meetings on a regular basis? Yes No

• Have you attended a Planning Commission or County Commission meeting? Yes No

• Have you attached the REQUIRED resume or letter of interest? Yes No

For the following questions, please feel free to attach additional pages as necessary.

Have you attended a TAB or CAC meeting in Clark County? Yes No

If so, which one and what was your experience?

Current Enterprise Town Board Member, since January 2021.

Please list any boards or committees that you currently serve on:

Board Member, City of Las Vegas Audit Oversight Committee (2016 to Present) - Former Chairman (2019) & Vice-Chairman (2018)

Why are you interested in becoming a member of your TAB or CAC?

I wish to continue my service for an additional two years as a board member on the Enterprise Town Advisory Board. As a resident of the Town of Enterprise, I wish to continue to ensure that the voices of the community are heard and all points of view are represented as we continue to build our community. Balancing the needs of individuals against those of the community are important as we move forward and my diverse background and experience has led to meaningful debate as a current town advisory board member over the past two years. With a background in both the public and private sector involving law enforcement, security, compliance, audit, and investigations, I feel that I am able to bring value to the discussions that come before this Board enhancing its advisory nature to the County Commission.

I verify by my signature below that all statements made on this application, as well as attached information, are true and complete to the best of my knowledge. I understand that an electronic signature has the same weight and effect as a handwritten signature. I understand that an incomplete application or any modifications to this application will not be accepted or considered.

Appointed as of January 2020 to the Enterprise Town Advisory Board (Clark County, Nevada) serving as a Town Board Member for the Town of Enterprise, NV.
- Master of Science (MS) Degree in Criminal Justice Administration combined with industry leading professional certifications to include Certified Fraud Examiner (CFE), Certified Information Systems Security Professional (CISSP), Certified Protection Professional (CPP), Certified Financial Crimes Investigator (CFCI), Certified Forensic Interviewer (CFI), and more.
- Recognized by Fraud Industry peers as President, ACFE Las Vegas Chapter (2018-2021). ACFE Member & CFE since 2004.
- Managed security and investigative professionals in highly diverse and complex urban markets.
- IAVM Trained Crowd Manager (TCM) certification along with stadium/arena incident response training from DHS & FEMA.

PROFESSIONAL EXPERIENCE

COX ENTERPRISES, INC. Las Vegas, NV

2020 – 2022

Manager, Enterprise Security & Investigations

Responsible for directing the Cox Las Vegas market security and investigations staff in identifying, developing, implementing, and maintaining security processes across the organization to reduce risk, respond to incidents, and limit exposure to liability in order to reduce financial loss to the organization and ensure company assets are protected. Plan and direct the department's investigative function under senior management and legal guidance.

- Responsible for providing leadership and direction on the internal emergency response and crisis management teams during emergency and disaster situations.
- Develop, train, and direct security and investigative personnel within the organization. Lead briefings with law enforcement, department/corporate staff, and coordinate the use of necessary resources to achieve objectives. This includes interacting with all levels of leaders within the organization and external partners.
- Responsible for physical/facility security operations to include the management of contracted guard services, CCTV/surveillance systems (Avigilon), access control systems (ProWatch), department projects, and maintain a capital and operational budget.
- Manage both internal and external investigations within the organization to include those cases involving: ethics/integrity, ID theft, fraud and financial crimes, workplace violence, due diligence and threat assessments, vandalism, and theft of services.

MGM RESORTS INTERNATIONAL (MGMRI), Las Vegas, NV

2016 – 2021

Senior Manager, Fusion Center

2018 -- 2020

Oversaw cyber security & investigative operations within the Information Security Department for the MGMRI's Fusion Center. Responsible for managing the cyber threat intelligence program, digital forensics, cyber incident response & security operations center (SOC), vulnerability management, and more. Worked with local, state, and national law enforcement agencies. Directed cyber threat intelligence analysis, data breach and cybercrime investigations, network and computer misuse, information security incident response, and eDiscovery activities for MGMRI. Partnered with Legal, Corporate & Property Security, Treasury, HR, Fraud Control, and Internal Audit departments on data loss prevention, anti-money laundering, suspicious activity reporting, and insider threat management. Managed numerous vendor relationships to include: NCFTA, RH-ISAC, FireEye, Herjavec Group, and others related to MGMRI's cyber security program.

- Successfully led major eDiscovery and digital forensic efforts while improving existing processes working with internal and external teams. Major investigations include MGMRI's response to Oct. 1 incident
- Led MGMRI's Incident Response team in addressing data security issues resulting from internal and external attacks, including phishing campaigns, account takeovers, malware campaigns, and other data security incidents.
- Managed 27/4 Cyber & Physical Security Operations as high-risk events to include "Black Hat".

*MGM Resorts International, continued:***Event Security Manager, T-Mobile Arena**

2016 -- 2021

In a part-time event management role, directed safety and security for this 20,000-seat, multi-function arena on the Las Vegas strip. Supervised up to 300+ in-house and contracted security officers per event, with as many as 100+ major events per year. Coordinated with law enforcement, medical teams, and MGM security leaders during events.

- Member of the initial security event management team for this new arena.
- Prior Arena Security Management (Palace of Auburn Hills Sports & Entertainment - Michigan) from 1995 to 1999.

CAPITAL ONE BANK (USA), Las Vegas, NV

2013 – 2018

Regional Manager, External Fraud & Card Intelligence

Directed all financial crime investigations for the credit card line of business and managed all external fraud operations for the 9-state Western US region. Responsible for investigating fraud applications, account takeovers, counterfeit cards, transaction fraud, mass compromises, data breaches, payment fraud, syntactic and bustouts, and identity theft. Trained, developed, and led a team of 6 senior fraud investigators and analysts at multiple locations nationwide. Led the Credit Card Cyber Threat Intelligence (CTI) team and worked closely with Information Risk Management and external vendors on monitoring underground carding forums on the Dark Web. Partnered with federal law enforcement (NCFTA, FBI, Secret Service) on high-profile cases. Actively involved in fraud prevention modeling and Anti-Money Laundering (AML)/Suspicious Activity Reporting (SAR).

- Managed the Northeast Region to include New York City metro area prior to the Western Region.
- Assigned to lead the card line of business team within a newly formed CTI program to minimize losses due to data breaches and cybercrime.
- Conducted fraud and financial crime training to local law enforcement and industry peers.
- Provided court testimony as an expert witness for financial crimes.
- Key member of the team that rolled out the regional model for external fraud.
- Reduced risk and losses by creating protection strategies for at-risk accounts.

THE HOME DEPOT, Los Angeles, CA

2011 – 2013

District Investigator

Managed asset protection and safety operations for 10 retail locations in the Los Angeles area, totaling \$620M in sales and more than 5,200 employees. Supervised a staff of 30 and contracted security guards at each location. Administered a \$680,000 budget. Supported the HR, Operations, Sales, Merchandising, and Environmental Compliance areas. Served as the regional subject matter expert (SME) on asset protection, safety, OSHA, asset protection, and physical security.

- Led the Los Angeles area in the roll out of an investigations program addressing 6 high theft regions nationwide,
- Improved security and reduced shrinkage by implementing employee training programs, enhancing AP equipment to include alarm systems and CCTV equipment.
- Lowered risk by directing emergency planning, conducting threat assessments, ensuring compliance with ADA and related laws, and managing OSHA, fire/life safety, sanitation, and environmental protection programs.
