BACKGROUND:

This interlocal contract provides voluntary contributions to support Inpatient, Outpatient, and Graduate Medical Education (GME) hospital services provided by University Medical Center (UMC) from July 1, 2025 through June 30, 2029. The voluntary payment of these funds will be used by the DHCFP as the non-federal share of general Medicaid expenditures. This will preserve access to care for Medicaid eligible individuals in the State of Nevada under Fee For Service (FFS) Inpatient and Outpatient hospital services, and Graduate Medical Education (GME).

Amendment #1 changes the name of the State Department from Department of Health and Human Services, Division of Health Care Financing and Policy to Nevada Health Authority per the 83rd Legislative Session-SB494 effective July 1, 2025.
