**BACKGROUND:**

On December 21, 2021, the Board of County Commissioners approved a pre-qualification list to be used to select professional service providers for the period from January 1, 2022 through December 31, 2023. Horrocks Engineers, Inc. was selected from the pre-qualification list, [Service] Construction Management - Administration - Major, to provide construction management services for the Jones Boulevard between Blue Diamond Road and Windmill Lane (Bid No. 606467-22) project.

Due to Clark County Department of Public Works' present and anticipated project workload, the services of an outside consultant for project management are needed. County staff negotiated the professional services contract with Horrocks Engineers, Inc. The contract describes the services to be provided and stipulated terms. The time of performance is effective until December 31, 2025, unless time extensions are granted.

Horrocks Engineers, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the contract as to form.
